

2019 NSO Life Choice Holiday Party Wish List

NSO's Life Choices program provides services to intellectually and developmentally disabled children, adults and their families. The individuals and families served by this program have limited resources for the holidays, so our Life Choices Holiday Parties are often the highlight of their holiday season.

(Party Dates: Monday, December 16th & Tuesday, December 17th)

Please help us to create lasting holiday memories by donating items on this wish list.

Donations are needed by Wednesday, December 11th.
