

2020 NSO Holiday Elf Program *COVID-19 EDITION*

We have all made changes in our lives due to the COVID-19 pandemic. NSO's Holiday Elf Program has also been modified to minimize social contact to protect our clients, staff, and donors.

Although our Holiday Elf options are different this year, the need is not. Your gift may be the only one a formerly homeless client receives this year; your kindness will keep someone warm; and your generosity will help us prepare a home for someone living on the streets.

Thank you for sharing the Holiday Spirit during this most difficult time.
