

# 2020 NSO Holiday Elf Program COVID-19 EDITION

## NSO Homeless Recovery Services Winter Warmth Wish List

Homeless individuals with nowhere else to go will seek shelter and safety at NSO's Detroit Healthy Housing Center. Others who choose to brave the elements will be visited by Mobile Outreach Team. You can warm their hands, feet and hearts by donating items on our Winter Warmth Wish List.

To minimize social contact during the COVID-19 pandemic, items on the this list can be purchased on our [Amazon Wish List](#) and shipped directly to NSO.
